About the Program

MBA in Business Analytics helps you attain the knowledge required to drive key business decisions. You learn to treat data like a product for companies who want to reduce the time required to implement it in new use cases by as much as 90%.

It will also help students develop the necessary skills to carry out analytical procedures and support an organization by figuring out ways to improve and optimize existing business processes with ease.

The Program covers the predictive and statistical tools used in business analytics, contemporary and key concepts, practical insights, and general management skills essential for career opportunities in India and abroad.

FAQs

Question- Are the online degree programs offered by UPES University approved by UGC?

Answer- Yes, this course has been strictly designed as per UGC guidelines. UGC has entitled UPES to offer online degrees. If you complete any of our online degree courses, you will receive the same degree as students who study on our campus.

Question- Will this degree be valid/ recognized outside India?

Answer- Yes, UPES University is entitled by UGC to offer online degrees that are recognized in India as well as abroad. Our alumni have pursued further studies post-completion of their online education at UPES CCE.

Question- Do you offer any placement assistance?

Answer- We teach our learners the most updated curriculum and required skills to make them job-ready. The content is created by industry and academic experts, who painstakingly review the content at least twice a year.

The majority of our students are already employed. And those who are not get mentored by the academic team through multiple engagement activities. The employability-related queries asked by the students are individually addressed.

Question- Can I go for PhD after doing an online MBA from UPES?

Answer- Yes! You can very well do a PhD after successfully completing your MBA degree. PhD enhances your employability quotient and helps you with progress in your career.

Question- Can I pursue an online MBA and PGP program together?

Answer- Yes! You can pursue two programs simultaneously. Dual degrees, if carefully chosen aid in quickly filling your skill and knowledge gaps. Needless to say, the recruiters will find you more attractive because you will be able to match the vacancies they have. Our admission counsellors can help you with your program choices.

Question- Why should I choose your online program?

Answer- Learning at UPES not only makes you job-ready but also helps you in climbing your career ladder.
